

How to transfer from one council to another online

The online registration system now supports transferring your membership from one council to another if needed. In the past the only way to transfer your membership was to fill out a transfer form and a new membership application. Now you can transfer your child and/or yourself online. Any advancement and training records associated to the membership will follow the transfer application.

If moving to a new council, a parent would use BeAScout to connect to the unit they wish to transfer to. The Unit QR code or mini-URL “link” also connects to that unit’s online registration form.

With any online application a parent starts by logging in to My.Scouting.org. This example screen shot is where BeAScout would redirect a parent.

The parent then selects if the application will be for a youth or an adult.

TELL US ABOUT YOUR CHILD

* Is the youth a current/former Scout?: Yes No

Because this is a transfer the parent must answer Yes to the first question.

The screenshot shows a form titled "TELL US ABOUT YOUR CHILD". The first question is "* Is the youth a current/former Scout?:" with radio buttons for "Yes" (selected) and "No". Below this are four input fields: "* Youth member ID:" (with a tooltip that says "If you don't know the member ID of the Youth, [Click Here](#) to search your member ID"), "* Youth First Name:", "* Youth Last Name:", and "* Youth Date of Birth:" (with a date format "MM/DD/YYYY").

To match the transfer record the Member ID number is required. There is a handy link to help find the Member ID if needed.

The parent must then complete the basic details required and click search.

The screenshot shows the same form as above, but now all fields are filled and have green checkmarks indicating they are valid. The "Youth member ID" field contains "12-179", "Youth First Name" contains "Charlie", "Youth Last Name" contains "Hajek", and "Youth Date of Birth" contains "03/16/1979". A red box highlights the "Search" button. At the bottom, there are two buttons: "Back to previous Page" and "Next".

The system will search for the record. When the match is found, the system will ask if intent is to transfer. Click the "Transfer" button.
