

The background is a photograph of a serene campsite. In the foreground, a calm lake reflects the sky and the surrounding greenery. On the opposite shore, a sandy area is enclosed by a white fence. Inside the fence, there is a wooden observation tower with a white roof, a small white canopy tent, and several tall, thin poles. A dense forest of tall evergreen trees forms a lush backdrop behind the campsite.

# RESOLUTE BASE CAMP OUTDOOR EXPERIENCE

# WHAT IS OUTDOOR EXPERIENCE?

Outdoor Experience is an exciting new program offered on weekends throughout the year at Resolute Base Camp. It can be a fun and educational outing for all youth 6 - 21. We welcome families, groups, and units. All activities are run by trained and certified staff.

Units can work towards specific advancements and awards while non-scouts can participate in fun outdoor activities and skills development.

# OUTDOOR EXPERIENCE CURRICULUM

The Outdoor Experience curriculum is designed with an eye towards advancement. Activities have been chosen and designed to assist units in providing access to resources that will foster the completion of rank requirements while participating in hands on activities.

All activities are age-appropriate and age-engaging.

# LOTS OF ACTIVITIES!

We offer a wide range of activities from pioneering to navigation to outdoor cooking. Learn how to fish, build a fire, try an orienteering course and throw a tomahawk.

As the weather turns warmer, we will add more activity areas including ropes courses, shooting sports and waterfront activities such as kayaking and canoeing.

# COVID-19 PROTOCOLS

At Resolute Base Camp, we have put in place the following protocols to ensure that we offer a safe program:

- Social distancing of at least 6 feet is required during all Resolute Base Camp programs including seasonal aquatics activities.
- Face masks are required by all participants (youth and adults) at all times.
- All shared equipment will be sanitized after each use. Camp areas including bathrooms and changing rooms will be sanitized after each session.
- Hand sanitizing stations are located throughout the camp.
- Group sizes will not exceed 25. Participants assigned to a group must stay with the group and are not allowed to interact with other groups or visit non-designated areas.

# OUTDOOR EXPERIENCE IS ON THE WAY!

# YOU CAN HELP!

We are adding to our roster of staff volunteers. Be part of the fun! From serving as a guide, directing traffic in parking lots to providing sanitizing services, there are plenty of opportunities to help make Resolute Base Camp a successful and memorable experience for our scouts and our community.

In addition, you can help by spreading the word and by signing up to attend!
