

# NOVEMBER 14<sup>TH</sup> AND 15<sup>TH</sup> SCOUTS BSA INFO NIGHT

**The Boy Scouting program is welcoming girls!**

Starting in February of 2019, the iconic program of the Boy Scouts of America will be welcoming young women. For 100+ years the BSA program has focused on providing youth with opportunities for adventure, leadership training, service to communities, and personal growth.

These information nights will be held to bring the news of Scouts BSA to communities, parents and current Scouters who have questions about the program, how to get involved locally and what Scouting is all about!

These information nights will include:

- Testimony videos from Scouts BSA leaders
- Introduction of local Scout leaders and their experience in Scouting
- Opportunities to register and get involved

Visit [www.scouting.org/scoutsbsa/](http://www.scouting.org/scoutsbsa/) for updates and information.
