# BSA SAFETY MOMENT

## USING A SAFETY MOMENT IN SCOUTING ACTIVITIES

### SUMMARY

**Safety Moments are opportunities to reinforce that the safety of Scouts and Scouters in the Boy Scouts of America is the top priority. A Safety Moment focuses the unit, volunteers, or staff on safety and how to achieve it.**

# Membership Recovery – Key 2021-22 Challenge!

From a discussion on BSA recruiting -

*“ ... we are very good at recruiting people who would have joined anyway, then congratulating ourselves on a good job ...”*

A former Scout Executive

While we clearly need “those who would have joined anyway”, we MUST find ways to recruit those others, who don’t have the BSA in their family plans ...

# Recruiting – Key need through 2021!

Applies to Packs, Troops and Crews

- **Is your Scouting Program Highly Visible in your Community?**

- Visibility key to parents (and youth) viewing Scouting as an attractive activity
- Can you re-gain lost members
  - “Alumni” event? Call “drops”? “Come back” event?

- **Fall town-wide “Join Scouting” event** – Sep. 18-19

- **SOLID 2021-22 Program Plan needed for ALL units!**

- Why should parents sign their children up with your unit, what will they be doing, what is the schedule?

## **Promote the event – use every means available!**

# Key Need:

## Dynamic, Exciting, “Understandable”, Accessible 2021-22 Unit Program Plan

- What will your unit do this year?
- What is the schedule?
- How will you fund it?
- How will you communicate it?
- What are the BIG events, what are the recurring events?
- What does it mean to be a part of your unit?

### How can you put this together?

- Not just “what we did before”
- Review other unit plans - brainstorm
- Search opportunities in your area
- Parent resources?
- Town resources?

# Program Planning

- Parents need to understand the program without “Scout-Speak”
  - EXPLAIN Dens, Packs, Patrols, Troops, etc.
  - For Packs – Den activities and organization vs. Pack Organization
  - For Troops/Crews/Ships – what does “Youth led” mean and how does it work

## Resources

## Marketing Units

### Be Where Your Audiences Are

Parents spend over 4 hours a day on their mobile devices

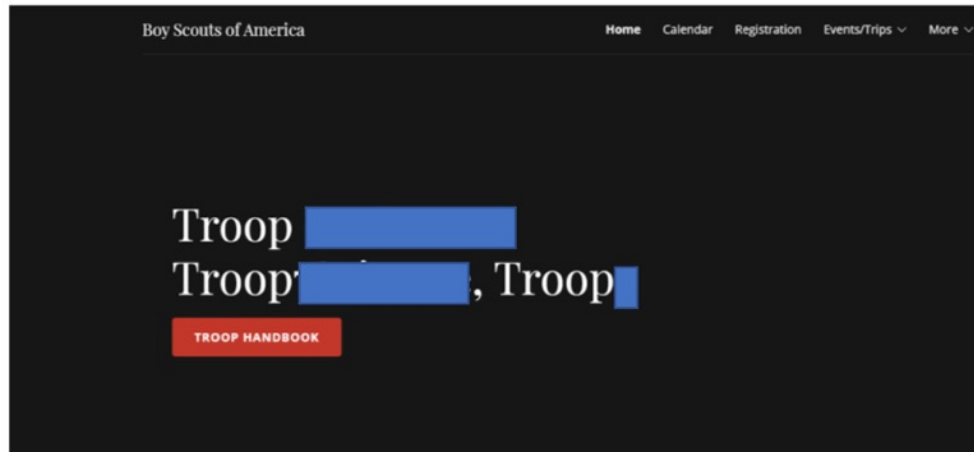

- Google My Unit
- Facebook Advertising: Short Money for Big Returns!

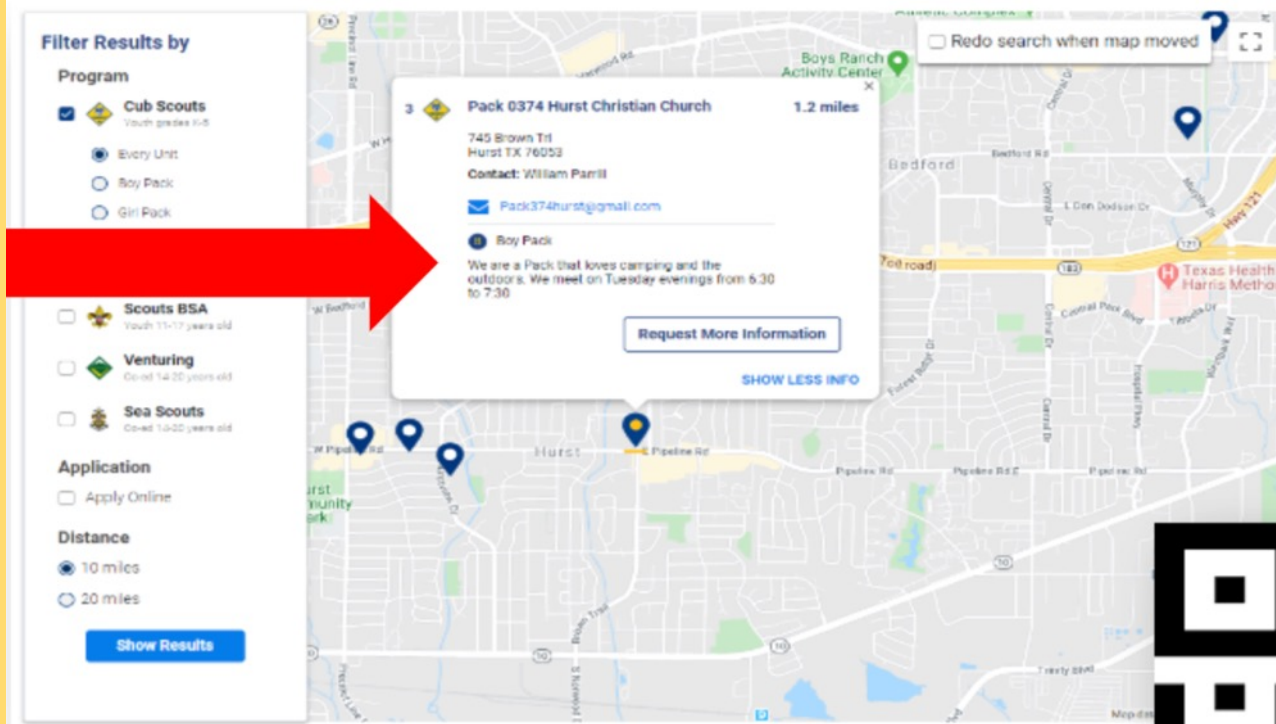

## Review Your Web Pages

Find a non-Scouting parent to look at your site.

- Can you easily find out how to join?
- Is your site information up-to-date?
- Is it jargon-free?

# “Onboarding” – *Retain Recruited Families*

**USAF SERE (Survival, Evasion, Resistance and Escape) Training For Scouts - We have been approached by a USAF Recruiter regarding a Scout version of their SERE Training they would like to offer. The program would be geared toward Scouts and Venturers 14 years old and above (Venturers up to 20). In order to move forward, we would like to see what the interest level would be from our Scouts. There would be a cost to cover meals Scouts would prepare.**

**They offer several options, but we are considering an Arctic Survival program during a Freezeout. Please rank which your scouts would be interested in.**

### ***Come join the Tantamous Lodge for a Ordeal weekend at Squanto!***

An Ordeal weekend is where candidates who were elected by their Scouts BSA Troop, Crew or Ship become Ordeal members in the Order of the Arrow. This event is open to Brotherhood candidates to seal their membership after having served as an Ordeal member for a minimum of 6 months. This event will also allow Vigil candidates to complete their Vigil. This event is also open to all Arrowman to attend and provide service to camp and assistance with the weekend.
