

JOIN OUR TEAM! SUMMER 2020

Spend your summer outdoors!

It is the goal of the Mayflower Council to provide those who attend our camps with an unparalleled experience. We are seeking dedicated people willing to serve the youth of our communities by joining this year's summer camp staff. Compensation for employment is keen, the jobs demanding, and the experience unrivaled.

Working on camp staff is one of the most rewarding experiences out there. As a member of the Mayflower camp staff, you will find yourself immersed within a new family and the friends and memories that you make will be everlasting. The best part is you will have the opportunity to be the role model in a camper's life and help form the memories that they will hold forever.

Staff compensation includes a competitive wage, 3 meals a day, housing, and a staff uniform polo. First Aid & CPR/AED training are provided free to all staff, as well as any necessary National Camping School certification courses.

We have immediate openings for staff who will be at least 16 years of age at the time of camp opening and also have positions for 18 and older as well as 21 years old and older.
