

ORGANIZATIONAL SUMMARY

MISSION STATEMENT

The Mission of the Mayflower Council, BSA is to serve others by helping to instill values in young people and in other ways prepare them to make ethical choices over their lifetime in achieving their full potential. The values we strive to instill are based upon the Scout Oath and Scout Law. It is the purpose of the Mayflower Council to provide the program support needed by the volunteer leaders of the various Cub Scout packs, Scouts BSA troops, Venturing crews, Explorer posts and Learning for Life groups in the communities we serve in the Greater MetroWest and South Shore areas.

HISTORY

The Mayflower Council was established in 2017 and is a result of the consolidation of Scouting programming that has served Greater MetroWest and the South Shore areas of Massachusetts for over a century. Comprised of territory that was once part of the Algonquin, Norumbega, Knox Trail, Squanto, and Old Colony Councils, the Mayflower Council is rich with the traditions and history of generations of Scouts and Scouting families. The council's name, which was selected by a youth committee out of 144 submissions that came from Scouts, Scouters, and friends of Scouting from 50 towns and cities, has strong historical ties to our territory. The word mayflower has high recognition and is instantly known world-wide as the ship that transported the pilgrims to the new world in 1620 and landed, within the borders of our council, in Plymouth, Massachusetts. The mayflower is also the name of the Massachusetts state flower. Chosen in 1918 by the state's school children, the mayflower is an evergreen ground shrub that prefers to grow in rocky terrain as well as along trail edges and forest clearings. Scouts are often found in these areas.
